WATERCRAFT INFORMATION

Our records indicate that you have registered a watercraft with the Kansas Department of Wildlife & Parks. Kansas law requires the owners of personal property to provide information of that property to the County Appraiser for assessment. Therefore, our office is requesting that you complete the necessary information listed below in order to ensure an accurate assessment. Please return this sheet to our office by _____.

If our office does not receive the requested information, we will have to value your watercraft with the available information. Please note: Applying for and/or receiving your KA numbers from Wildlife & Parks does not constitute as reporting your personal property for assessment. You must list your property directly with the County Appraiser's Office. Pursuant to *House Bill No. 2434*, a detailed bill of sale is required on all boat, motor and trailer sales. The bill of sale must have a purchase amount for each individual item.
